Fort McCoy Activity Information Card

Activity Information Card: All recreational participants/permit holders within a vehicle are required to display a Fort McCoy Activity card. The card must show the iSportsman permit number for each permit holder associated with the vehicle for that given days activity. The Activity Card must be placed on the vehicle dashboard and be easily readable through the windshield from the outside of the vehicle. The card should not be obstructed by any other papers, materials, or items on the dash or windshield. Hand printed information must be legible and large enough to easily read through the windshield.
