

Attention Users: Burma Road roadway construction.

Burma Road will be closed to all traffic from the Whitetail Ridge Recreation Area (Ski Hill) to Range 17A (D-5) starting 18 March 2022 and run through early 2023. All entrances to Burma Road will be barricaded.

Due to the Burma Road closure Training Areas D-7 and M-7 will be closed to all recreational use. Anglers and hunters will need to take an alternate route to access Lost Lake, North Flowage, or Training Areas north of the North Impact Area. We appreciate your support and patience!
